The following Notifications are, by direction of the Chief Secretary to Government, published for general information.

C. W. H. COCHRANE,

Acting Under Secretary, F.M.S.

No. 5950.—The following Bill about to be introduced in the Federal Council is published for general information:

A BILL

intituled

An Enactment to further amend "The Agricultural Pests Enactment, 1913."

IT is hereby enacted by the Rulers of the Federated Malay States in Council as follows:

Short title, commencement and construction.

1. (i) This Enactment may be cited as "The Agricultural Pests Enactment, 1913, Amendment Enactment, 1922 (No. 2)," and shall come into force on the publication thereof in the *Gazette*.

(ii) This Enactment shall be read and construed as one with "The Agricultural Pests Enactment, 1913," hereinafter called the "principal Enactment," and any copies of the principal Enactment printed after the commencement of this Enactment may be printed with the amendments made by this Enactment.

Amendment of section 2.

2. Clause (viii) of section 2 of the principal Enactment is repealed.

Amendment of sections 5 to 9.

3. Sections 5, 6, 7, 8 and 9 of the principal Enactment are amended by inserting the words "and premises" after the word "land" wherever it occurs.

Amendment of section 5 (i).

4. Sub-section (i) of section 5 of the principal Enactment is amended by deleting the words "alienated for agricultural purposes or whereon any plants are or have been cultivated" in the third and fourth lines thereof.

Repeal of sections 15, 16, 17, 18 and 19.

5. Sections 15, 16, 17, 18 and 19 of the principal Enactment are repealed.

Substituted section 20.

6. Section 20 of the principal Enactment is repealed and the following substituted therefor:

"20. Subject to the provisions of section 12B no owner or occupier of land or other person shall be entitled to compensation for any expense incurred or damage occasioned by any order given or act done in pursuance of the provisions of this Enactment or any rule thereunder unless such damage were occasioned by negligence or maliciously and without reasonable cause; but the Resident of the State may in his discretion order that such compensation as he may think fit be paid to the owner of any plant who being in needy circumstances is required to destroy such plant, provided that the total compensation so paid in one year to any one person shall not exceed one hundred dollars."

Amendment of section 25.

7. Section 25 of the principal Enactment is amended by deleting the words "sections 9A, 15 and 18" in the second and third lines thereof and substituting therefor the word "section 9A."

OBJECTS AND REASONS.

The object of this Bill is to remove from the principal Enactment the sections prescribing a special procedure for the control of coconut beetles. Such special procedure is considered unnecessary in view of the wide provisions of sections 5 to 9 of the principal Enactment, and leads to confusion and complication.

192 (i) The occupier of any land or premises, and in the case of unoccupied land or premises the owner thereof, shall keep such land or premises in such a state as not to be a nuisance, or offensive, or an annoyance to any persons living in the neighbourhood, and in such a state as not to cause or to be likely to cause danger or injury to health or to be likely to harbour mosquitoes or mosquito larvae and in particular he shall

- (c) keep the said land or premises as far as possible clear of empty tins, coconut shells or other disused or unused receptacles capable of retaining water; and prevent any accumulation of such receptacles except in such position that they are not liable to retain water; and obey any instructions issued to him in writing from time to time by the Board for the disposal or treatment of such receptacles, or any a cumulation thereof, in such manner as may in the opinion of the Board be necessary for destroying the larvae of mosquitoes or for preventing such receptacles from becoming breeding places of mosquitoes;
- (d) prevent the formation anywhere therein of pools of waste or stagnant water, and prevent the making of any excavation on the said land without the previous permission of the Board in writing, and prevent interference with any drain or natural watercourse, and obey any instructions issued to him in writing by the Board for draining off or otherwise removing such waste or stagnant water;

- (f) maintain in good repair any fence or hedge bordering upon a public thoroughfare, and at any time when so ordered by the Board in writing, repair any such fence or hedge or remove any tree overhanging a public thoroughfare or trim, prune or cut any such tree or hedge to such an extent and in such a manner and within such time as may be specified in the order.

192. (ii) Any person acting in contravention of any of the provisions of this by-law shall be liable to a fine not exceeding twenty-five dollars.

192A. Whenever it appears to the Board that any pond or tank or any low marshy ground or any drain or swamp or other collection of water being within or upon any alienated land is or is likely to be injurious or dangerous to health or a nuisance or offensive to the neighbourhood or contains or is likely to contain mosquito larvae, the Board may by notice in writing require the owner or occupier of the land within a time to be specified in such notice, to take such action in regard to such pond, tank, marshy land, drain, swamp or other collection of water as may in the opinion of the Board be necessary provided that no action shall be taken under this by-law unless and until such action has been approved at a regular meeting of the Board, and in default of compliance with such notice the owner or occupier shall be liable to a fine not exceeding one hundred dollars, and to a further fine not exceeding five dollars a day for every day beyond the time specified in the notice during which such default may continue and the Board may proceed to carry out such work at the expense of the owner or occupier.

6. High price of mutton: The Chairman brings to notice the complaint of the high price of mutton due probably to a ring and the consequent absence of competition. The price in Singapore was 43 cents a pound as against 60 cents locally. The Board decide to leave the matter to be dealt with by the Chairman.

7. Electric lighting of Ipoh: The Chairman informs the meeting that out of a sum of \$70,000 originally allocated for wiring and fittings in connection with the electric lighting of Ipoh the Executive Engineer proposed expending \$38,550 on Government quarters, \$25,000 on street lighting, \$4,000 on certain Government buildings leaving the balance of under \$2,500 for contingencies. It was estimated that the maintenance of electric street lighting would be \$22,000 per annum as against \$48,000 for Lux lamps. Since the submission of these proposals the allocation has been reduced to \$60,000 making it difficult to carry out the Executive Engineer's scheme Mr. Sewell proposes and Towkay Lee Ah Weng seconds that the Government be requested to restore the allocation to \$70,000 to enable the Executive Engineer's proposals to be carried out. The Board agree.

8. Cost of electric energy to private consumers: The Chairman informs the meeting that as the result of correspondence with the Electrical Board he is in a position to say that the charge for electric energy to private consumers for light and fans will not exceed 26 cents per unit. There having been few or no applications for energy for trade purposes the Electrical Board cannot at this stage fix a figure for power.

9. Revenue from private and trade water supplies to be credited to the Public Works Department: The Chairman informs the meeting that under instructions from Government the revenue from private and trade water supplies, which under "The Waterworks Enactment, 1909," is Sanitary Board revenue, is from next year to be credited to the Public Works Department. The Chairman reads a letter from Mr. Physick, who was unable to attend the meeting, strongly opposing the suggested alteration unless there are very good reasons for it. In this connection the Chairman mentions that the profit and loss account drawn up by a sub-committee of the Board to support their report not to increase the present scale of charges for water has not been accepted by the State Engineer. The members of the Board ask that the correspondence be circulated and the matter brought up again.

10. Ipoh water supply: Towkay Foo Wha Cheng inquires as to when the scheme for augmenting the water supply of Ipoh is to be taken in hand. The Executive Engineer states that so far as he is aware the report is now before the Government. The Board ask the Chairman to write to the Secretary to Resident to expedite the consideration of the scheme.

11. Alteration of the Sanitary Board area of Papan: The Chairman draws attention to the notification in the *Government Gazette* of 8th September altering the Sanitary Board area of Papan without the matter having been brought up and agreed to at a meeting of the Board. From the correspondence it would appear that although his predecessor had inspected the area the matter was to remain in abeyance for the present. After examining the plan showing the amended boundary the Board, on the proposal of Mr. Bain, seconded by Mr. Sewell, formally agree to the Sanitary Board area of Papan being as notified in the *Gazette*.

12. The Board adjourn *sine die*.

A. J. STURROCK,
Chairman.

Ipoh,
21st September, 1922.

No. 6285.—SANITARY BOARD, KUALA LUMPUR.—

Minutes of an ordinary meeting of the Kuala Lumpur Sanitary Board held at the Sanitary Board Offices on Wednesday, 13th September, 1922.

PRESENT: The *Chairman* (Mr. B. W. Elles), the *Secretary* (Mr. R. A. Boardman), the *Health Officer* (Dr. F. V. Jacques), the *Collector of Land Revenue* (Mr. W. R. Boyd), the *Protector of Chinese* (Mr. T. W. H. Kingston), the *Executive Engineer, Town* (Mr. Sydney Smith), the *Chief Police Officer* (Mr. G. P. Cuscaden), the *Superintendent, Revenue Surveys* (Mr. F. R. Twiss), Dr. M. J. Ahern, Mr. D. Freeman, Mr. D. F. Topham, J.P., Mr. Khoo Keng Hooi, Mr. Yap Tai Chi, Dr. E. T. MacIntyre, J.P., and Haji Mohamed Taib, J.P.

ABSENT: The *Architectural Assistant to Director of Public Works* (Mr. L. Kesteven).

1. Minutes of last meeting are confirmed.

2. *Municipal Dairy:* The *Chairman* announces that the estimated cost of converting the buildings at the old Federal Home site has been reduced to \$5,000, and, if the Board eventually decides to lease out the dairy, the cost would then be only about \$2,600, as certain items could be omitted.

3. *Assessment Rate for 1923:* The *Chairman* announces that the *Finance Sub-committee* had gone carefully into the figures shown in the draft statement now before the Board, and had come to the conclusion that an increase of two per cent. is justifiable on the figures shown.

The unofficial members individually express themselves as opposed to any increase on grounds of policy at present in view of the present hard times.

Mr. D. Freeman moves, and Mr. D. F. Topham seconds:

"That although the tentative figures in the draft balance sheet would justify the addition of two per cent. to the rate for 1923, this Board is of opinion that the Government should most carefully consider the effect of an increased rate at a time of commercial depression, before bringing such increase into force."

The resolution is carried unanimously.

The Board decides to refer back to the *Finance Sub-committee* Mr. Khoo Keng Hooi's proposals (a and b) which were held over from the last meeting.

4. *Stall fees at 10½ mile, Sungei Besi:* The *Chairman* asks the Board to consider that all markets where stall keepers have supplied their own stalls, and such stalls are kept in good condition and are suitable for the purpose, a reduction of 50 cents in the monthly fee for each stall be allowed.

The Board agrees.

5. *Reduction in 1922 Assessment:* The *Chairman* informs the Board that the Government has considered the question of reduction in the assessment where the rents have been reduced, but is not in favour of any such reduction.

6. *Visible petrol supply:* The *Chairman* submits an application from Messrs. Chi & Co. to instal a visible petrol measure on a site near the Selangor Club, and points out that a site has already been definitely offered to Mr. Gordon Wong for the same purpose.

The Board asks the *Chairman* to inform Mr. Wong that if operations are not commenced by 31st October, 1922, the offer will be withdrawn.

7. *Proposed alteration of designation "Sanitary Board" to "Municipal" or "Town" Board:* The *Chairman* reads a letter from the *Secretary to Resident* and a copy of a minute by that officer, pointing out certain objections to the proposal in the matters of expense and boundaries.

The *Chairman* agrees to ascertain the views of the other leading Boards, and points out that there is no reason why any expense should be incurred and still no valid objection to the designation "Municipal Board."

The Board concurs.

8. *Price of mutton:* The *Chairman* announces that the wholesale price of sheep in Singapore has been reduced and the retail price of Australian mutton in Kuala Lumpur market will be 50 cents. per lb. from 16th September 1922.

9. *General:* Mr. Khoo Keng Hooi calls attention to the good work that is being done by Dr. Ahern at the town dispensary, and suggests that municipal nurses should be provided to assist in that work.

Dr. Ahern explains that the matter has been receiving the attention of the *Infantile Welfare Board*, but that considerable difficulty is experienced in obtaining suitable nurses.

The *Chairman* expresses the opinion that it is probably better for administration purposes for such nurses to be under the *Medical Department*.

10. *Health Report:* The population for the middle of July, 1922, is estimated at 84,616.

(2) *Births:* During the month 176 births were notified, giving an uncorrected birth-rate of 24.96 per mille.

There were 20 deaths of infants under the age of one year. The infantile mortality rate (deaths under one year of age per 1,000 births) was 113.64.

(4) The diseases causing the greatest number of deaths were:

3. The question of hours of trading of street stalls and fees for licences is considered: it is decided to raise the fee to \$5 per mensem where the hours for trading are not restricted, and in other cases (where the hours of trading will be restricted to between 6 and 8 a.m. and 4 and 12 p.m.) to continue the present fee of \$3 per mensem.

7. The present shortage of water and the new water supply scheme give rise to discussion: the Health Officer suggests that, the water in the reservoirs having been reduced to such a small quantity, Chlorination is necessary. The Board asks him to take necessary action. Mr. Goh Hock Huat reports that he has had to keep his rubber factory closed during the last three days owing to there having been no water available for the works or for his coolies. It is decided to allow one hour's supply of water per day to all factories for their coolies. The Executive Engineer explains the new water supply scheme and informs the Board that the necessary expenditure has been approved, that the work will be commenced this year and that the Klang water supply will thereby be doubled.

NOTIFICATIONS REPEATED.

PUBLIC TRUSTEE ENACTMENT.

No. 4609.—An office of the Public Trustee for the Federated Malay States having been established in Kuala Lumpur, the attention of the public is invited to the twofold advantages offered by this office in the administration of estates and trusts.

Firstly, there is a continuity of management. The administration of estates or trusts by private persons is often protracted or impeded by the death or absence from the country of the administrators or trustees, rendering necessary frequent, and sometimes expensive, applications to the Court. The Public Trustee, on the other hand, holds office continuously, and no further reference to the Court is necessary, notwithstanding that the holder of the office may be changed from time to time.

Secondly, there is a guarantee by the Government, the revenues of the country being liable, under certain conditions, to make good all sums required to discharge any liability incurred by the Public Trustee.

The Public Trustee will undertake two classes of trusts, for which fees on a moderate scale, as approved by the Government, will be charged.

Firstly, he will administer small estates of deceased persons, if the gross capital value of the estate is less than \$5,000. Any person, who would be entitled to apply to the Court for an order for the administration of such an estate, may apply instead to the Public Trustee to administer the estate. Further, any estate, of whatever value, which is being administered by an executor or administrator, may, with the sanction of the Court and on the application of the executor or administrator or of any person beneficially interested, be handed over to the Public Trustee to administer.

Secondly, any person may appoint the Public Trustee to be executor of his will or to be trustee of any will or settlement or other instrument creating a trust (other than a trust exclusively for religious or charitable purposes).

Further particulars can be obtained on application to the Public Trustee at his office in the Supreme Court, Kuala Lumpur.

No. 2730.—PUBLIC OFFICERS' GUARANTEE FUND.—NOTICE.—There are unclaimed balances in the Public Officers' Guarantee Fund standing to the credit of officers who have died, resigned or ceased to contribute, payment of which will be made on claims being satisfactorily established.

Any further information can be obtained from the Secretary, Public Officers' Guarantee Fund, Kuala Lumpur, to whom also all claims for refund should be addressed.
